Hi School Band Needs \$500 For New Equipment

15 New Uniforms and a Number of New Instruments Are Greatly Needed by Band

MEETING IS CALLED

Citizens Are Asked to Meet With Band Parents Tuesday Night

The Canyon high school band must raise at least \$500 at once in order to properly uniform and equip the members.

A meeting will be held at the music room of the grade school next Tuesday evening at 7:30 o'clock at which time representatives of each business firm in Canyon, and all other citizens interested in the band are urged to be present.

Fifteen additional uniforms are needed at once in order to equip boys and girls wishing to play in the band. Additional instruments are needed, including an oboe, bassoon and euphonium. The band will have a membership of 55 members before spring, and this additional equipment must be secured to take care of these new members. The new instruments must be secured in order to balance the instrumentation in the band.

Canyon is one of the few towns in the Panhandle which has never been called upon for financial aid to the band. Most of the towns have a regular band tax and is supported entirely through tax measures. The only aid given locally to the band has been small donations on tag days.

The band has rendered much service to the community in the concerts which have been played at the bandstand, and the trade trips which the band has accompanied. If it had been necessary to hire an outside band to come to Canyon for these events, the cost would have been heavy. The Band Parents organization feels that it is now time for local citizens to make a contribution to the maintenance of the band, and funds will be solicited with a view of raising not less than \$500.

Mrs. Ray Campbell is president of the Band Parents, and W. P. Sharrman is chairman of the finance committee of this organization. They are issuing a most urgent invitation to all citizens who are interested in improving the band to be at the grade school building next Tuesday evening at 7:30 o'clock.

76 Counties and 9 States Represented Among WT Studes

Seventy-six counties of Texas are represented in the student body of W. T. this semester.

Nine states are represented. The states are Michigan, one student; Pennsylvania 2; Illinois 1; Montana 1; Arkansas 1; Colorado 1; New Mexico 10; Oklahoma 12, and Louisiana 1.

Students are enrolled from the following Texas Counties: Lipscomb, Knox, Bailey, Dickens, Motley, Hardeman, Foard, Collin, Lynn, Coke, Coryell, Jones, Brown, Navarro, Baylor, Roberts, McLennan, Young, Garza, Taylor, Hockley, Haskell.

Martin, Tarrant, Kaufman, Rockwall, Runnels, Coleman, Gaines, Lampasas, Cherokee, Stephens, Cottle, Terry, Mason, Hood, Madison, Kimble, Shackelford, Floyd, Gray, Donley, Ochiltree, Castro, Howard, Hemphill, Randall, Midland, Hale, Hansford, Swisher, Wheeler, Childress, Oldham, Potter, Briscoe, Lamb, Deaf Smith, Dallam, Armstrong, Hutchinson.

Collingsworth, Carson, Wilbarger, Parmer, Dawson, Crosby, Hall, Hartley, Mitchell, Archer, Sherman, Scurry, Moore, Wichita, and Pecos. Registration at W. T. is approaching the nine hundred mark.

Miss Oressa Hastings, who teaches at Hereford, was in Canyon over the week end visiting with her mother, Mrs. W. S. Hastings.

Ray Robbins of Clarendon spent last week end here and attended the homecoming events at W. T.

WPA Furnishes \$17,000 If City Will Put Up \$10,000 to Hard Sur- face 66 Blocks

WPA has approved the expenditure of \$17,676 on the streets of Canyon. The application for this work was made several weeks ago when it was proposed to hard surface 66 blocks.

It will be necessary for the city to vote about \$10,000 in bonds if the city accepts this offer of the government.

A. A. Meredith, district supervisor of WPA, was here Tuesday night with three members of his staff to go over the project with the City Commission.

Mayor C. R. Burrow stated yesterday that the City Commission would probably order the bond election at the regular monthly meeting next Monday night. If the citizens of Canyon desire that this street work be done they would be given the opportunity to approve the bond issue.

All men on WPA rolls will be kept busy on the campus jobs and the highway improvement through Canyon until about the first of January. After then, there will be no further work to take care of the men unless work has started on the dam building program.

Judge H. E. Hoover Places New Articles in Museum Display

Judge H. E. Hoover of Canadian, frequent contributor to the Panhandle-Plains Historical Society museum here, has lent for display a number of objects of much historical interest.

One is a gavel made from the "Old Council Tree" on the Alabama and Coushatta Indian reservation in Polk County, Texas. Tradition has it that General Sam Houston frequently met and counseled with the Indians under this tree, advising them to take the land given them and keep it forever, never permitting white men to live on it.

Judge Hoover also lent a roll of Confederate money, an old "shin plaster" bill, a German cross and cigarette lighter used in the World War, an Indian peace pipe, and a cap-and-ball pistol formerly used in duelling in Tennessee.

The objects were brought here by Dr. L. P. Sheffy.

132 Entries Placed Ball Jar Contest At W. T. Saturday

Randall County Home Demonstration Club women, under the direction of Miss Frances Wilroy, home agent, participated in the Ball jar contest held Saturday, Oct. 23 at 10 o'clock in the cafeteria of W. T.

Miss Ruby Mashburn, district agent, Miss Pauline Lokey, Potter county home demonstration agent, and Miss Margie Lyon, Childress county home agent, judged the products.

There were 132 entries in the county with 72 of these being Ball jars.

The winners were as follows: first, Mrs. J. J. Wright, West Side Club; second, Mrs. W. C. Roberts, West Side Club; third, Mrs. J. V. Williams, Ralph Club; fourth, Mrs. Henry Ratjen, Sunny Hill Club; fifth, Mrs. F. E. Stockhaus, West Side Club; sixth, Mrs. Clem Dugan, Palo Duro Club.

All eleven clubs in the county entered the contest. The entries were made in the local clubs and the home demonstration agent judged the products. The first, second, and third place entries were entered in the county-wide exhibit. The women were given helpful canning suggestions that will be of much benefit to them in further home canning projects.

Yearlings Drop 1st Game; Play Altus Friday Afternoon

W. T. Yearlings lost the first game of the season Friday to Portales Junior College 10-2.

The Yearlings will meet the Altus Junior College at Buffalo Stadium tomorrow afternoon at 3:00 o'clock.

Mrs. W. C. Baird, who has been staying at the home of her daughter in Amarillo for the past several weeks, has returned to the C. R. Flesher home here.

Drive Started To Collect All Delinquent Taxes

State, County, Schools and City Find \$130,000 Due on Real Estate of Randall County

Practically \$130,000 in delinquent taxes are due in Randall county to the state, county, schools and city. These taxes are due largely on real estate, according to delinquent tax figures which have been compiled.

Under a new state law, each county must compile a delinquent tax roll from 1919 to 1936, inclusive. Tax Assessor R. N. Barnett delivered the new delinquent record to the State Comptroller in Austin last week. This roll shows that \$72,894.65 is delinquent to Randall county, to the State of Texas, and to the common school districts.

A recent check shows that approximately \$30,000 is delinquent on the rolls of the Canyon Independent school district.

The city of Canyon has a delinquent roll of \$13,000.00.

When all penalty and interest are added, the total will be approximately \$130,000 that the owners of real estate owe on delinquent taxes.

A state-wide movement is on to collect delinquent taxes. The legislature provided that the state and various counties may enter into contract with private attorneys in order to force the collection of delinquent taxes.

Such a contract has been made in Randall county and work is now in progress to force collections. The city of Canyon has joined the state and county in the drive to collect delinquent taxes.

Collection of delinquent taxes is one of the serious problems all over the state, and the state of Texas is encouraging counties, cities and school districts to make a drive to collect all money possible in order to reduce the deficits which exist in the treasury of practically all departments of government.

Passion Play To Be Shown Saturday Nite at Christian Church

"The Passion Play," patterned after the famous play presented each ten years in Oberammergau, will be shown Saturday night at 7:45 o'clock at the First Christian Church in Canyon. Rev. Charles Wilson states that there is no admission charge, but a freewill offering will be taken.

The motion picture was produced in Europe. Special organ, orchestral and choral music are fitted to the scenes in the life of Christ.

The picture is being shown in churches throughout the country and has been highly recommended by those who have seen it.

McElroy Calves Win At the Royal

Four Carloads Shown in Big Show Against 84 Competitors

Hereford calves from the herd of Clyde McElroy placed third in the Royal Stock Show held in Kansas City last week.

Mr. McElroy entered in the show four car loads of 20 head each. His entry was in competition against 84 car loads from over the middle west. Two loads of the McElroy entry won third and two loads won fifth. No Southwestern division was provided this year in the Royal, which made competition much keener, and practically eliminated the possibilities of Plains cattle winning a higher place than did Mr. McElroy.

The McElroy calves were fed cake while on grass, but were not otherwise finished. The calves sold at 11 cents.

The demand of the market now is for small calves in order to furnish small steaks for the market. The largest calves of the McElroy herd were not entered in the show.

Sheriff's Office Receives Peculiar Call Monday p. m.

The job of Sheriff R. N. Barnett is not only that of apprehending criminals, in all degrees of hardness, but after Monday's experience it seems that one of his jobs is that of hunting run-away or lost babies.

Monday afternoon a five-year-old baby was left with one of the neighbors while its mother attended a class at W. T. The child became lost and after a hasty search the sheriff's department was called. All of the force was out searching the streets and alleys for the supposedly run-away tot, when a last frantic search was again given the house.

Hearing the sobs of the woman as she again looked through the house, the child came crawling out from under a bed, thus ending a frantic two hour search.

CCC TO HOLD DANCE TONIGHT 8:00 O'CLOCK

A dance to which the general public is given a cordial invitation will be held tonight at the newly decorated dance pavilion at the CCC camp at the Palo Duro Canyon State Park. A new oak floor has been laid in the 40x60 foot hall.

Dancing will be held from 8 until 12 o'clock and it is hoped that a large number from Canyon will attend. The Melody Maids of Amarillo will furnish music for the occasion.

Miss Lavern Brown, who teaches near Big Spring, visited over the week end at the T. A. Black home.

St. Benedict's Will Face Buffs Here Saturday

Undeclared Ravens To Bring Another Strong Team To Battle Buffs For Fourth Time

Nationally famous because of their football turnouts since 1931, the St. Benedict's College of Atchison, Kansas brings another powerful squad to Canyon as guests of the Buffaloes in their annual feud Saturday afternoon.

This year the Ravens are coached by two new Notre Dame products, Marty Peters and Don Elser, but the Kansans still patronize the Rockne style of play. These two mentors replace Larry "Moon" Mullins who accepted a coaching position at Loyola University at New Orleans. In the five year period that Mullins served at Atchison he raised the name of the little Catholic institution to enviable gridiron heights. Peters and Elser fell heir to 17 talented lettermen who were instrumental in carrying the Ravens through an undefeated year.

The Ravens immediately took up their winning ways again and began to bowl over larger institutions with considerable ease. Pacing the running attack are Captain Don Martin, quarterback from Bellingham, Washington, and Leo Danaher, left half back from St. Joseph, Missouri. Danaher is ranked as the hardest running back in Kansas football, and has been the high scorer of the Ravens during the past two seasons. In addition to his football ability, he is the most versatile baseball player on the campus and is a member of the varsity basketball team.

The Ravens spoiled the 1935 homecoming for the Buffaloes with a striking 21-7 win. The two teams opened athletic connections in 1933 at Amarillo when the Kansans trimmed the Texans 19-14. Last year the Ravens knocked the Buffs off the perch of undefeated teams with a 19-0 win in the last game of the year for both teams.

Official Announcement Is Expected by Next Week From Washington Is Latest Word

Actual construction on Buffalo Dam will be started within a month was the announcement made in Amarillo yesterday by Resettlement officials. The official announcement will come from Washington during the coming week.

All members of the Randall County Commissioners Court together with W. A. Warren, vice-president of the Panhandle Authority, were at the meeting when the announcement was made.

Resettlement officials failed to secure options on the land and had reported to Washington three weeks ago that the Buffalo Dam was impossible. Carl Hinton, secretary of the water board, believed that the options could be secured and asked Washington for a week's time in which to secure these options. Tom Cotten of Amarillo undertook the job of securing the options upon the promise of a \$500 fee if the dam was built. Although this matter was not known to local citizens, or to other officials of the Water Authority, after explanation yesterday the meeting agreed that the right steps had been taken in order to save the entire water conservation program. It was voted to pay the \$500 fee. Randall county representatives afterwards agreed to assume this expense, should it be necessary, since it is assured that the largest project of the program will be built in Randall county.

The entire program of water conservation seems to be well underway and will go through according to the plans that have been developed during the past under the direction of the Panhandle Water Authority. It is assured that the first work will be done in Randall county, and that many small dams will be built in this county in addition to the large project near UMBARGER.

Scholarship Group Name New Members and Annual Officers

Alpha Chi, national honor society has installed officers and initiated a number of new members, who come from a wide area in the Panhandle.

BIG PARADE HELD

High School Bands Aid Buffalo Band in Musical Program

The most impressive Homecoming ever staged by W. T. was enjoyed by nearly 2500 visitors Friday night and Saturday. From the time the carnival opened at Cousins Hall Friday night until the close of the ex-student dance on Saturday night, an interesting program was in progress every minute.

Two queens were crowned during the fête, Miss Ruth Cantrell being chosen Queen of the Exes, and Miss Fernie Fry named Queen for the football game.

Five high school bands joined the Buffalo Band in furnishing music for the spectacular parade through Canyon Saturday afternoon, and for the football game. The bands were: Amarillo high, Tulsa high, Hereford high, White Deer high, Canyon high and Canyon drum corps. Decorative floats were at frequent intervals in the parade. One or more band was playing most of the time throughout the football game.

New Presbyterian Pastor Will Arrive Here Monday p. m.

Rev. and Mrs. A. M. Dorsett will arrive in Canyon next Monday afternoon from Dallas. Rev. Dorsett was recently called as pastor of the local Presbyterian Church and will assume his duties on Monday.

The members of the church will give a food shower for the new pastor and his wife when they arrive. Those who wish to contribute to the shower are requested to leave their gifts at the home of Mrs. E. D. Harrell on Monday morning.

Legislature Fails To Pass Tax Bill Before Adjourning

If Governor Allred and the Board of Control were correct in statements given to the press two weeks ago, Old Age Assistance will likely be greatly reduced in Texas for two or three months.

The legislature adjourned Wednesday morning without passing a tax raising measure. The state is worse off than it was before the session since the session cost about \$160,000.

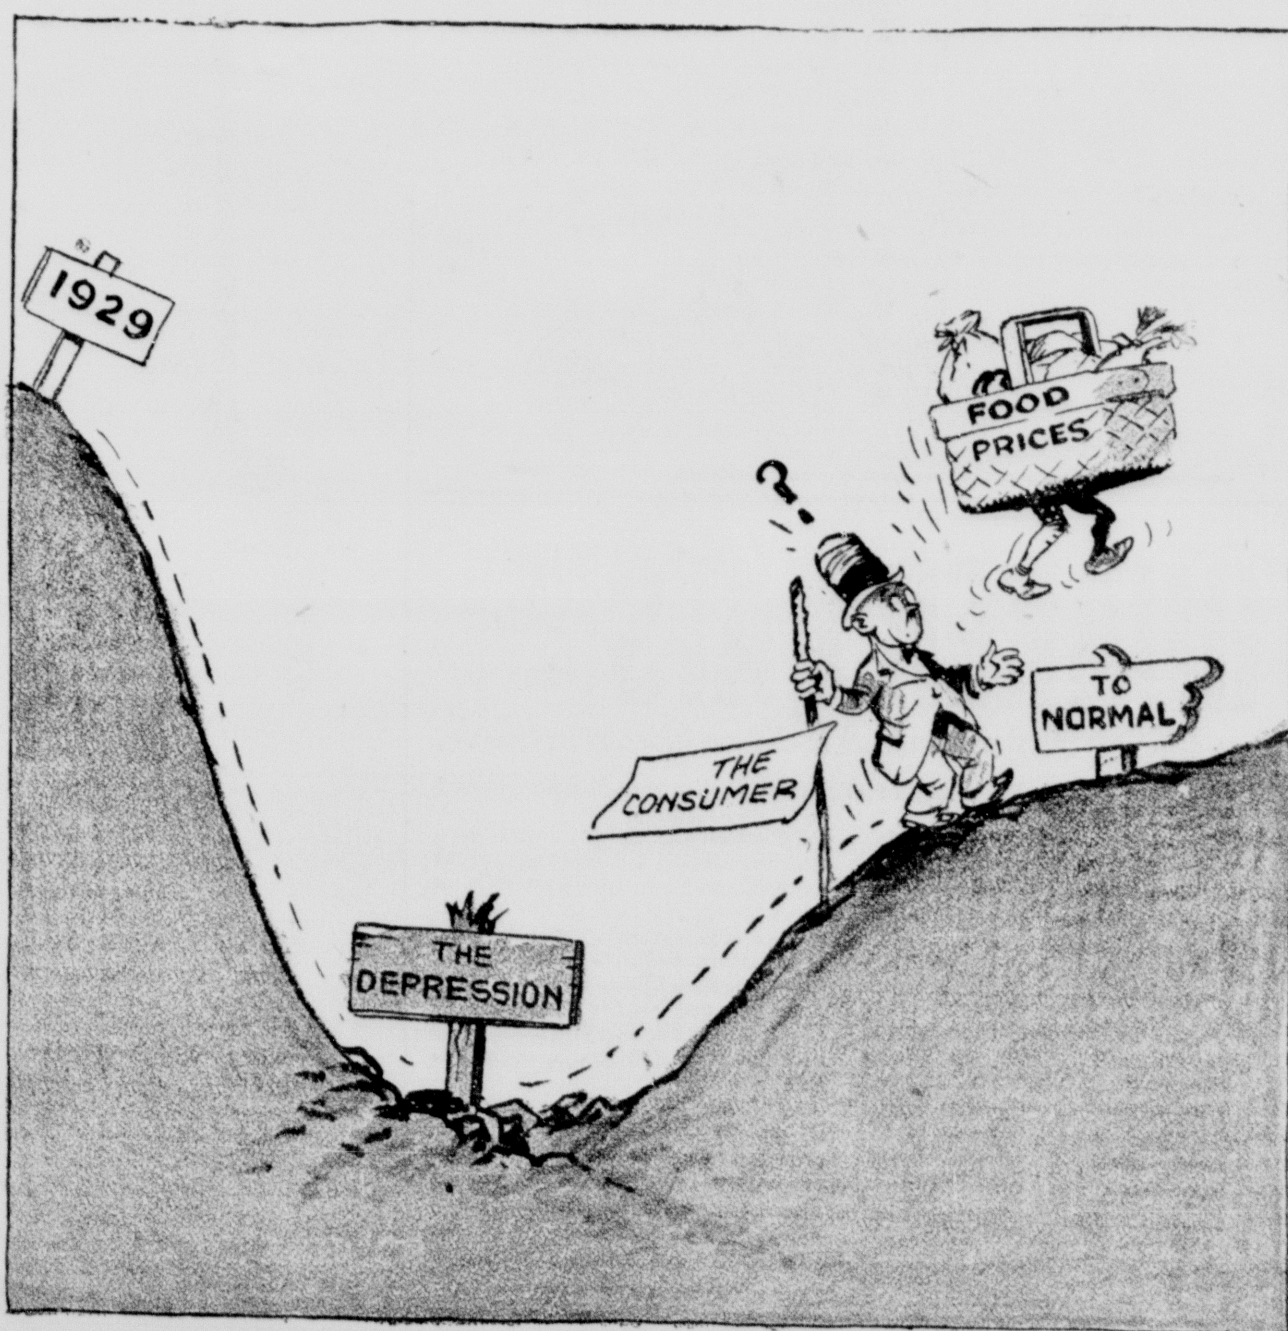

The House passed a tax bill which would raise about \$5,000,000. Another bill to allow the sale of liquor by the drink was passed by the House which was figured to raise about two million more.

The Senate cut the tax measure so as to raise about \$3,000,000 and killed the bill to provide tax by the drink.

The bill would have passed raising about \$3,000,000 had it not been that at the last moment those in favor of old age liberalization succeeded in instructing its free conference committee from the House to liberalize old age assistance. Senate conferees figured that the bill would not raise enough money to pay the liberalized pensions, and therefore refused to allow this feature. The deadlock ended the session with no tax measure.

Governor Allred announced that he would not call another special session.

Great reductions will probably be made at once in the number to receive old age assistance as well as the amount of checks for those who are kept on the rolls.

Many people in this country do not admire Henry Ford because of his hard-boiled methods of doing business, and his opposition to the government during the period of stress when President Roosevelt was trying to do something for humanity. But most people are highly pleased that Ford had the nerve to close his Kansas City plant and move out when he could not secure co-operation with the city and the state in quelling the sit-down strikers who had taken possession of his plant. It is unfortunate that a few men among the thousands employed in this plant were responsible for the closing of the plant. Those who are thrown out of good jobs are largely to be on the bread line, or relief work at starvation wages whereas they formerly enjoyed good jobs at high wages. The action of Ford will probably do much to break the labor situation. Ford can close all his plants if he wants to. He has no one to consult in the matter. In the very near future we trust that sane laboring men will see the fallacy of following these radical leaders who draw fabulous salaries from the workers and lead them into difficulties just for the pleasure of causing labor disturbances.

Putting Social Security into effect is no small problem. The people of the nation become very sympathetic while thinking in the terms of old age assistance and other forms of aid for the unfortunates. But there is the other side of the picture which is often lost sight of. Industry and business can absorb only just so much of the load at one time. There are thousands of fine young men out of work, whose lives are being ruined by idleness because business cannot afford to put them to work on account of the high taxes that are being imposed. The lives of these young people, who are entitled to an opportunity to make something worthwhile of them-

selves, will largely be wasted because of the universal sympathy for those whose lives have been spent and are no longer producers for the benefit of society. Society security is a fine reform. But like all reforms, its introduction is defeating its purpose in many respects. This nation has been travelling at such a rapid pace that the deterring effects of social security were not anticipated as the government went into this phase of reform.

The Exes of W. T. had a great day in Canyon Saturday. In fact this was called the most successful Homecoming that the institution has had in years. It is very fortunate for an educational institution when the exes take an active part in planning for the future. The exes are out in the active field of life. They see and hear what the people think of an institution and what they expect of an institution. They can carry good advice back to the institution and can communicate good tidings to their respective communities as they secure first hand information of the future plans for the institution upon these Homecoming events. W. T. has some very outstanding exes of whom all may be proud. It pays to keep in close touch with the exes, as the institution is now doing. It pays the exes to keep in close communication with the institution, not only for the good they may do but likewise for the inspiration they may draw in their various fields of activities.

Members of the Typographical Union are usually considered above the average in intelligence among the large unions. Practically every large daily newspaper is unionized, and many of the big commercial printing establishments. These men deal with outside affairs, and have an opportunity to view existing conditions much better than the steel unionist or the automobile unionist who are herded together for mass production, with little opportunity to rub shoulders to the outside world. The printers have advised Wm. Green and John Lewis to get together or to get out. These two fellows, especially Lewis, is doing much to injure the cause of labor in this country. The public has about lost confidence in unionism because of the illegal methods used by the C. I. O's. It will be a good thing for unionism if both Green and Lewis were forced out, and conservative men placed at the head of the unions.

The nation must have at least 3,000,000 more homes built during the coming year if housing conditions are properly carried out, according to government reviews. More houses were burned during the past three years than have been built. Building is running far behind. The result will be a scarcity of labor and building materials when building breaks out. If you intend building or repairing in the immediate future, better get started as prices are likely to take a big jump when the building boom starts.

Mussolini refuses to be bluffed by England and France into withdrawing troops from Spain. The dictator scorned these powers in the Ethiopian situation, knowing good and well that these powers were not going to engage him in war. Backed by Hitler, Mussolini feels secure at the present time because he knows that England is not prepared for war and cannot get prepared for an extensive engagement for many months. The dictator believes in making hay while the sunshines, and now is his time.

It is good news that Colonel Lindbergh considers himself an American and has renewed his commission in the reserve corps. The family cannot be blamed for living in England for the protection of their two children. It is a shame they feel unsafe in this country, but any family that has gone through the terrible tragedy as did Col. and Mrs. Lindbergh would certainly seek safety in rearing their other children.

Have you ever seen such beautiful fall weather? Ideal weather has prevailed almost daily on the plains, with only one freeze of small consequence, and little cold weather. A little more moisture to bring up all of the wheat would certainly make this the ideal fall.

A census in this nation shows that Americans will not stop buying Japanese goods. The government may impose export restrictions of

war materials, and may enforce other economic restrictions, but so far the people as a whole have not been incensed sufficiently against the Japs to quit using their goods. Most people believe in buying as cheaply as possible, and unfortunately Japan produces the cheapest goods.

Just when it looks like the perfect airplane has been manufactured, along comes a terrible crash. The worst tragedy in the history of aviation occurred last week, largely due to the fact that each air liner built becomes larger. Many, many capable men and women are sacrificing their lives to scientific progress. One of these days, not long in the future, such crashes will be entirely eliminated from air travel.

When the Duke and Duchess of Windsor arrive in this country, many people will have a decided shock as they view the once glamorous Duke. Age and the ravages of strenuous living are telling upon the couple, especially the Duke. Note the pictures of the couple and you will see that the 43 year old Duke now looks at least 10 years older.

Extra markets for milk products

The nation's use of milk in fluid form is increasing steadily, but it falls far short of the approximately 100 billion pounds of milk produced yearly by America's 25,000,000 milk cows.

Research and salesmanship have found and made other markets for 60 billion pounds of milk that consumers don't drink every year. Since 1857 Borden, through research and selling, has played a leading part in developing extra markets for both milk and manufactured milk products.

It is these extra markets that have helped dairying become the nation's biggest source of farm cash.

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling the germ-laden phlegm. The Medical Profession has for many years recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other ingredients and now in Creomulsion you get a real dose of genuine Beechwood Creosote which is palatable and can even be taken frequently and continuously by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel the germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund every cent of your money. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief that you want. Ex-Student Carnival Attractive Feature

Completely transformed by decorations, the lower floor of Cousins took on the semblance of a night club of three units, the Western Room, Little Mexico and the Fine Arts Room. The Fine Arts Exhibit, which will be an annual affair of Homecoming, was contributed to by ex-students assembled by Miss Isabel Robinson, art teacher, and Marilyn Miller, and hung by John Gillis of the manual arts department.

Exes who contributed paintings or carvings were: Mrs. Burt Newlin

Canyon; Ethel Bourland, Childress; Pauline Scott, Canyon; Beth Blythe, Borger; Harry Kelly, Pampa; Zudie Bible, Canyon; Lee Christine Cousins, White Deer; Hester Gates, Amarillo; Mrs. T. M. Moore, Canyon; Ira Cochran Young, Borger; Alma Lynn Beem, Clyde Slaughter, Amarillo; Mrs. Levia Mote, Sharon, Oklahoma; Marie Fronabarger, Canyon; Josie Wiggins, Tulsa; Cecile Foster, Sudan; Mrs. John Fry, Canyon; Mrs. Zahn of Sharon, Oklahoma; Ruth Crabtree, Inez Parker, Amarillo; Marjorie Lewis, Amarillo; Irene Jones Beckett, Miami; Kate Warren, Cee Vee; Mary Lou Robinson, Lubbock; Hazel Gilbert; Lenora Giles, Vega; and Marion O'Brien, Miami.

Incidental music by the violin ensemble from the Amarillo Philharmonic Orchestra, and Vocal solos by O. T. Craig, Neil McNeely, Betty Bruce Jones, and Houston Bright, and a violin solo by Robert Axtell made up the program presented in the Fine Arts room.

Gayly decorated in orange, blue, and red, "Little Mexico," which was directed by Miss Agnes Charlton of the Spanish department, and assisted by Marie Fronabarger, Mrs. Knighton, and L. T. Barksdale, offered a variety of amusements. A Mexican couple, Jose and Maria, radio entertainers, played and sang typical Mexican music. Other numbers on the program were: a dance by Inez and Vera Stroy; accordion solo by Naomi Slay; a group dance by the physical education department; and games and fortune telling. C. L. Thompson was proprietor. Hosts and assistants, dressed in Mexican costume, were Mr. and Mrs. Leon Lassers, Mr. and Mrs. C. S. Johnston, Miss Agnes Charlton, Dr. H. M. Cook, Mrs. Ora Newlin, Hellen Hickman, Milton Morris, Ralph Cabe, Dr. and Mrs. R. A. Neblett, Mrs. Irby Carruth, Carolyn Mayfield, June Day, Ulane Zeek, Jerry Tomlinson, Charlotte Tubbs, Kate Donnell, A. G. Thornton, Tom-

mie Tomlinson, Ethel Rowland, Anna Dell Sligar, and Jean Tarlton. The hand-painted menus, which centered the tables spaced about the room were designed by the college sophomore design class. Souvenirs sold included carved buffalo pins, W. T. pennants, bandanna handkerchiefs, and Czechoslovakian crafts.

The Western Room featured old-time dancing, including the Virginia Reel, the square dance, the heel and toe, Pop Boes the Weazel, the Schottische, new shoes, and waltzes. Each change in dances was marked by pistol shots. Irby Carruth was in charge of this room. H. O. Price directed the square dance.

Leon Lassers and Miss Novella Goodman were chairmen of the decorations in the room, and Leon Lassers designed and built the old-fashioned Paul Jones Bar which proved one of the principal attractions. Soft drinks, labeled as Old-fashioned Lady, Pink Toddy, Tom and Jerry, Four Roses, Scotch and Soda, and Great Western Extra Dry, were served by cabaret girls, dressed in European peasant costumes.

Old time music was furnished by Bill Jesse's string orchestra from Pampa. The program included a faculty square dance, directed by Bob Price, Edna Graham, Miss Ruth Dennis, Mrs. Agnes Smith, Miss Anna I. Hibbets, J. L. Dufflot, John Gillis, and A. K. Goodman; a "Table d'Hotel" dance by Neil McNeely and Hazel Kirby; a dance stunt, an interpretation of a stick horse, by Forrest Fry; piano novelty by Weldon Bright; songs by Houston Bright, accompanied by Weldon Bright; blues songs by Quixie Bea King; and old time dancing by the Pampa Club.

Bartenders, Seymour Rusk, Irby Carruth, and Novella Goodman, and the waiters, Bob Hunt, Bob Foster, Lee Foster, Charlie Donnell, and Delbert Lowes were dressed as cowboys. Bill Hale of Amarillo, who first came to W. T. in 1913, portrayed a rich drunkard of the gay nineties, and was promptly and properly tossed from the barroom. Helen Mangum was chairman of the pages, and Forrest Fry was makeup artist for the Spanish and cowboy characters.

In a brilliant ceremony designed by the Pi Omegas, and Mrs. A. M. Meyer, sponsor, Miss Cantrell was presented by Rosa Cash and crowned by President J. A. Hill. Wearing white satin coronation robes and carrying red rose buds, she was attended by the other candidates: Cleo Brown, Canyon; Yvonne Thomas, Pampa; Rowena Ewing, Plainview; Christine Warren, Pampa; Frances Smith, Happy; Helen Boswell, Estelina; Bonnie Fay Bennett, Amarillo; Mary Beth Campbell, Skellytown; Marie Luanna Sledge, Spring Creek; Marion O'Brien, Miami; Ruth Cecil, Spearman; Opal Sloan, Lubbock; Linnette Cain, Hartley; Ethel Lynn Hays, Snyder; Clorine Cain, Oklahoma; Adeline McDonald, Paducah; Juanita Campbell, Canadian; Mary Ruth Alverson, Childress; Ruth Stapleton, Dalhart; Dorothy Scott, Floydada.

Mrs. Ray Campbell was in charge of sales, and was assisted by Mrs. W. C. Black, Mrs. Clarence Thompson, Miss Helen White Moore, and W. L. Vaughn.

Moe: Where did you get the black eye?
Joe: I went to a dance and was struck by the beauty of the place.

RANDALL H. D. COUNCIL ELECTS OFFICERS

Election of officers was the main feature of the Randall County Home Demonstration Council meeting Saturday afternoon, Oct. 23, in the court house. Mrs. R. B. Gist, president, presided during the session.

Officers elected for the new year were: Mrs. E. A. Michael, chairman; Mrs. Carl Fuqua, vice chairman; and Mrs. James Eddie Park, secretary-treasurer.

Mrs. Tom Lair and Mrs. T. C. Gooch, delegates to the Texas Home Demonstration Association convention which convened at San Antonio in September gave interesting reports. This organization belongs to the World's Federation of Women's Clubs.

In a meeting of the year book committee, tomatoes and other vegetables were chosen as the demonstration under garden work, and the kitchen demonstration will be a continuation of last year's work.

Mrs. J. E. Dickinson reported on the 4-H Girls' judging contest held at the College, that morning.

There were twenty-one members present, representing the eleven clubs; three guests and Miss Frances Wilroy, home agent.

The Council will meet Nov. 20 with Miss Wilroy at the home of Miss Mary E. Hudspeth. Reports will be given by committee chairmen. New members of next year's council are invited to attend this meeting and the social hour will be arranged by the recreation committee.

DR. PIERLE GIVES VERY INTERESTING LECTURE

"China" was the subject of a very interesting lecture by Dr. C. A. Pierle Monday afternoon when he appeared before the 1925 Culture Club and members of the newly organized study club of the junior women.

Dr. Pierle brought into his discussion the existing relations between China and Japan in which the whole world is vitally interested at this time.

During the short business session both clubs voted to co-operate in the high school Halloween Carnival being sponsored by the Parent-Teachers Association.

Junior Women Meet

The Junior Women withdrew following the program and held a short business meeting at which time the name of Cheerio Study Club was chosen for their organization. The group voted to meet on the 2nd and 4th Mondays of each month in the Education Building at the College. Eleven members were present.

The next regular meeting of the clubs will be Nov. 8, when "Malaya and Netherland India" will be studied.

Buffaloes Win Homecoming Tilt Over Rangers

Presenting the offensive brand of grid finesse that has failed to register in the past three games, the West Texas State footballers snapped back into the win column by smothering the Northwestern Oklahoma Teachers Rangers of Alva 26-0 before a homecoming crowd of 5,000.

Statistics revealed the superiority of the Buffaloes as they methodically chalked up 292 yards from scrimmage as compared to the visitors' 67, and tabulated 15 first downs to the Rangers' five.

It was the shifty jaunt of fleet Foster Watkins in the closing minutes of the fourth quarter that jerked the fans into an uproar. The Buffs had marched deep into the Rangers' territory by virtue of pass connections to end Schur and fullback Butler, when Watkins faked a pass and swung around right end, wrenched away from a maze of tacklers and sprinted for a 26 yard touchdown standing up. Slack's conversion was the last score of the afternoon.

The Rangers never presented a serious scoring threat throughout the game. The Buffalo defense was so stubborn that the Rangers never penetrated their 30 yard line.

Baggett's cohorts made their lone tally of the first half in the first five minutes of play when Buff end, Craig Walling, recovered Reed's fumble on the 20. Butler bounced through the line for a first down on the two, and then Butler crashed for six points. Watkins converted from placement. Buffs 7, Rangers 0.

A dull second quarter ensued which found Ranger fullback, Lewis, and Buff quarterback Thomas, staging a punting duel with Thomas holding the upperhand in this department.

The next Buff score came in the middle of the third chapter when Thomas and Slack had joined forces to carry to the one foot line from where Thomas pierced the right side of the line for pay-dirt. 13-0.

A series of short gains by Slack, Watkins and Butler carried the ball deep into the enemy territory in the fourth quarter. A Ranger fifteen yard penalty put the ball on the one foot line where Slack scored off left tackle untouched. 19-0.

Watkins took to the air from this point, completing two to substitute end Schur who was heretofore an unknown wingman. Watkins' handsome 26 yard run climaxed this parade.

Ends Neilson and Walling, tackle Stephenson and guard Hinger supplied the most noticeable defensive work. Halfback Reed of the Rangers was a constant threat to the Buffs with his shifty runs, but he was never able to shake himself loose.

Starting lineups:
 Buffs pos Rangers
 Walling 1e Roberts
 Stephenson 1t Bird
 Hinger 1g Herron
 E. Williams c McGugin
 Woods rg West
 L. Williams rt Riffle
 Neilson re Ridgway
 Thomas q Mayfield
 Lyde lh Reed
 Washington rh Smith
 Butler co-cap. f Phillips

Substitutions: Buffaloes: Watkins for Washington, Bunch for Williams, Harp for Bunch, Slack for Watkins, Horton for Woods, Fields for Hinger, Matney for Lyde, Murry for Thomas, Watkins for Murry, Kendrick for Neilson, Slack for Washington, Bunch for Stephenson, Edmondson for Williams, Nowlin for Williams, Hays for Butler, Faulkner for Horton, Payne for Faulkner, Cullender for Edmondson, Amburn for Fields, Cox for Matney, Taylor for Schur.

New York Gangland Fears Thomas Dewey, Who Earns Sobriquet of 'Racket-Buster'

THOMAS EDMUND DEWEY, slight, bristly-mustached 35-year-old lawyer, is New York's number one enemy of public enemies.

They call him the "racket-buster" and for good reason. Gangland and organized crime have come to fear this young man who is making a gallant effort to stamp out the lawless element that has been exacting a terrific toll from the nation's largest city.

Dewey was appointed special prosecutor in 1935, when it became evident that something more than the normal channels of law enforcement were needed to cope with the situation.

Taking over the position when he was only 33, Dewey immediately laid the plans for his war against crime and the rackets.

He insisted on surrounding himself with assistants of his own choosing—for the most part young lawyers not long out of college, who were smart, eager, courageous and not tied up in political alliances.

And so Dewey went to work.

HE broke the famed restaurant racket which had cost New York restaurants millions of dollars. It was just one of the many which had cost employers and unions \$100,000,000 in extortion money in some form.

He ferreted out the crooked lawyers, politicians and police. He broke the rackets which attacked the clothing and building trades and the theaters. He cracked down on the loan sharks, the murder merchants and the chiselers. It was a powerful tonic for New York business.

Born in Owosso, Mich., in 1902, Dewey graduated from the University of Michigan and then studied law at Columbia University. He entered a law firm in Manhattan in 1925, and in 1928, just a short while after he was out of school, was appointed chief assistant U. S. attorney in New York.

Dewey first served notice of his energy and ability when he investigated and brought to trial Irving (Waxey Gordon) Wexler, famed beer baron, who subsequently was fined \$80,000 and sentenced to 10 years in prison for income tax evasion.

After serving brilliantly in the U. S. attorney's office for five

Thomas E. Dewey, New York's young "racket-buster," is shown above in typical moods. Top right, sincere, excited interest, caught while talking to reporters. Top left, his brain at work—calm, studied deliberation. Bottom, the dramatic prosecutor proves a point in court.

years Dewey resigned to enter private practice.

But his was not to be a career of private endeavor. An illustrious cousin, Admiral George Dewey, was a fighter before him, and Thomas E. Dewey was of the same stock.

NEW YORK needed a fighting man with brains, to combat its criminal menace. Gov. Herbert Lehman called on the brilliant young lawyer and Dewey responded. Today he is a candidate for district attorney of New York.

A hard worker, he spends as much as 10 and 12 hours a day

at his office. Often he is so busy he is unable to leave at night for his home in Tuxedo, N. Y.

Everything he does is a result of careful planning. Dramatic in a courtroom his emotional flare bespeaks a determined sincerity rather than appearing as an "act."

Dewey, who is married and is the father of two sons, is a lawyer and "racket-buster" perhaps by chance.

Possessor of an exceptionally fine baritone voice, he didn't know whether to make music or the bar his career.

His final decision has been regretted by gangland.

"The Rest of the Record"

BY JAMES V. ALLRED
Governor of Texas

As this column is written, the Legislature has only three more days of actual work. I don't know whether they will have passed any substantial tax bill for the people's program. At this time the outlook is very doubtful.

In any event, it seems to be conceded that I was right in refusing to submit appropriation bills which some of the Senators said they wanted to revise after they had voted for them during the regular session. On Tuesday of last week one of the leading writers for a big daily said my judgment that the submission of appropriations was impractical had been vindicated by the action of the Legislature itself.

The record shows that after some of the Senators had told through the newspapers about what they would do if I submitted appropriations to them, they suddenly decided that I had done so and accordingly considered economy wide open to them. The Senate passed one bill affecting the state departments without a hearing and sent it over to the House. They admitted the bill would have to be worked over BUT they didn't do anything at all with reference to economizing on the education bill which they had voted out last spring with the biggest increase of all the appropriation bills. Furthermore the Senate did nothing on the judiciary bill which had substantially increased the salaries of all the judges.

These bills didn't even get out of committee and Senator Stone, who had been one of the loudest of all in saying that he would economize, voted to put off any hearing on these bills, even in committee.

With only eight days left to work, the House of Representatives passed a resolution asking me to submit appropriations for economy; BUT even the author of the resolution said on the floor that his purpose was to "put the monkey" on the Governor's back.

I knew that if I were to submit appropriations the Legislature could not revise them intelligently in so short a time when they had considered appropriations for four months before. I also knew that to get the subject on the calendar would block absolutely the chances of passing any tax bill to finance the old folks, the blind, the dependent children, and our part of the teachers' retirement system.

Of course, not even those who have been talking so loudly about economy claimed for a moment that they could finance by economy the aid to the blind, to dependent children, the old folks and the teachers. All they could hope to do even if they passed economy bills would be to reduce the deficit in the general fund of which the general operation of the government is paid.

There has been so much talk about how much money the so-

called "economists" could save by abolishing the liquor board that I want the people to have the facts.

In the first place, we wouldn't have any enforcement law. In the next place, the present administrator, Bert Ford, collected in his first ten months of service a million dollars more than was collected in the preceding ten months. Thus, he has collected enough additional money in ten months to more than pay the operation of his entire department for over a year and enforced the liquor law in addition.

4-H Club Contest Draws Nearly 200 Here Saturday

4-H Club contests for districts I and II brought nearly 200 persons to the campus Saturday in addition to the homecoming crowd. The contests were conducted here this year to replace the annual short course usually held at College Station, but which was called off this year because of a paralysis epidemic.

Clothing and canning contests were held in the home economics laboratories, and Miss Orpa Dennis, head of the department, assisted in conducting the events. Miss Frances Wilroy, Randall county home demonstration agent, was in charge of the arrangements.

Miss Dora R. Barnes, clothing technician from Texas A. & M. College, was in charge of judging in the clothing competition, and Miss Grace Neely, food preservation specialist of A. & M., judged in the canning contests. Articles entered were judged on a basis of 300 points, and will be placed in competition with the scores made by 4-H Club girls in the other regional contests which are being held over the state.

Clothing winners were Mildred Scott of Potter County and Jewel Gibson of Lamb County. Winners in various canning divisions were Thelma Burleson, Lubbock County; Eunice Bell, Potter County; Anna Reno, Hutchinson County; and Doris Smith of Gray County.

Most of the twenty-six county home demonstration agents of the two districts were here, and also Miss Ruby Mashburn and Miss Lida Cooper, district agents.

A tea was given for the guests in the college cafeteria from 9 to 10 o'clock Saturday morning by the Randall County Home Demonstration Council.

Mrs. J. H. Patton of Wichita Falls is visiting at the home of her sister, Mrs. S. V. Wirt. The Patton family were pioneers of Randall county, Mr. Patton having served as second county clerk.

Mr. and Mrs. Dan K. Usery and daughter, Frances, and Rayburn Evans of Pampa were Sunday visitors at the Conchas Dam project.

Hi! Everybody.

They sez that the Eagles' air doped to win district. I wonder what kinda medicine Coach uses. Maybe I could get some and spry Miriah up a little. I was glad when that game with Happy was over.

Say J. D., Barnett, and Glenn, how was Kansas? I was beginning to think maybe you wasn't acomin back.

I was acomin out of assembly and I heard some kids awonderin if Mr. Brown went to the Spanish dances and found a girl three nights, cause he shore stayed down that way for a long time. Some say he was at Austin, but maybe that was his stoppin off place between week-ends. And they also said they didn't know he would do such a thing as to fool a cop.

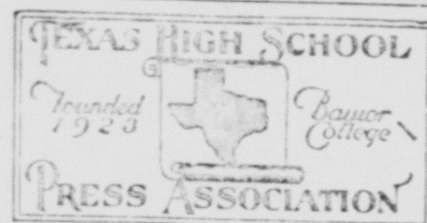

Old Bo Vandergriff wondered out loud the tother night when he saw his gal a puttin on some white lipstick. He thought what was this younger ageneration acomin to.

Joe and D. A. I heard blondes were unsteady so you'd a better stick to ye editor and the drum major. Wal folks this is old gossip but I thought you'd like to know the latest. I'll see u.

Cactus Cal.

P. S. I think the Press Club is shore doin a good thing in having them pratty gals on show. Miriah sez that I can't even go around them cause I always spend all my money a votin on them gals, but if some of you boys keep your eye peeled for me without Miriah aswagin out me jist come around and I'll go with you to vote.

SUPERINTENDENT'S OFFICE
SETS FORTH HIGH IDEALS

Pictures, statues, and what-nots often set forth high ideals.

Mr. Carruth's office seems to have the proper atmosphere. In one corner is an eagle looking down at whomever Mr. Carruth is interviewing.

"I have always admired Robert E. Lee as a general and as a man. He is one of my heroes since I am an enthusiast about reading events of the civil war and particularly about the southern generals," said Mr. Carruth when he was explaining the reason for two pictures and a bust of Robert E. Lee being in his office.

The picture of George Washington looks down from one wall, and that of Sam Houston is in the outer office. A large picture of an Indian, strong, true, and brave hangs on another wall.

"The Lighthouse," a poem by an ex-student, Opal Schuman Bragg, hangs in the outer office. A quotation from it is:

"If we could say and tell the truth
As the lighthouse has to date;
That we could sand the test of life,
We'd be doing great."

In the center of this office sits I. B. Carruth, superintendent, ready to help anyone in any way that he can if they will cooperate with him in living up to the high ideals set forth in his office.

ARE YOU A GOOD SPORT

How do you feel by the end of the school day or school week? Are you sport enough to study the last period as well as the first, or do you find some other way to occupy your time?

Do you feel as though some teacher has taken his or her spite out on you and assigned too long a lesson? DELEGATES
RETURN

J. D. Bretling, Glenn Campbell, and Barnett Ball, members of the Canyon Chapter of Future Farmers of America, returned home Friday afternoon after attending the National Convention of F. F. A. in Missouri last week.

J. D. Bretling said, "I enjoyed the trip through the Swift Packing Company more than anything else I did," but his nose wrinkled as he said it.

Barnett Ball enthusiastically said, "I liked the American Royal livestock show and the Convention." Glenn Campbell replied with a smile. "The trip was interesting and enjoyable, but it would have been better if the entire chapter could have gone."

The boys traveled in a large bus with thirty other delegates from different sections of the country. They stayed at the Skirvin Hotel in Oklahoma City on Saturday night, the Pickwick Hotel in Kansas City the four following nights, and at the Skirvin Thursday night on their return trip.

The delegates attended the Convention all day Monday and Tuesday morning. Tuesday afternoon they spent at the American Royal Livestock Show. Wednesday they visited the Case Machinery House and the Liberty Memorial Building. That night they went to the F. A. A. Banquet. President Joe Black of Wyoming, vice president, Julian Pierce of Kentucky, Mayor of Kansas City, Mr. Smith, and the editor of the Kansas City Journal Post, Tim Collins, were the speakers at the Convention.

C.H.S. HOMECOMING
IS NOVEMBER 5

The Canyon High School ex-students will be "rounded-up" for the eighth annual homecoming session November 5, which will be carried out in Cowboy style.

The ex-students will assemble with the students of Canyon High School in the high school auditorium at 1:30 o'clock November 5, for a pep rally before the game between the Dalhart Wolves and the Canyon Eagles at 3 o'clock at the Buffalo Stadium.

After attending the game at Buffalo Stadium, the ex-students will attend in mass the banquet in the Presbyterian Church at 7:30 o'clock. They will be entertained by the following program: "First Brandings" by I. B. Carruth, "Headin for the Last Round-up" by Laura Fern Brian, "So Long Pal" given by Zudie Mae Bible, "a Shindig" by various cowhands, "Round-up of Mavericks" by various ones. Mr. Clarence Thompson will act as foreman of the evening.

Did you know that Robert Belah is a preacher, W. J. Wooten a happy bride groom, and Frank Gyles the blushing bride; while Carl Criswell, her father, is fat and fat?

If anybody doesn't believe this, just ask a band member. It seems the band is working out a rag-time wedding for their stunt at the P. T. A. Carnival. They are using actors and sound effect. The chosen number has been a success in other places.

Harter Family Presents
Program In Assembly

Mrs. R. E. Harter, her son, John James Harter, and her brother, James Sharman, entertained the assembly with a musical program Tuesday.

The program consisted of saxophone duets with piano accompaniment. The pieces played were: "The Old Refrain" by Fritz Kriesler, "Cielito Lindo" by Fernandez, "Dreamland Shadows" by Holzd, and "Nobody Knows the Trouble I See," anonymous.

The saxophones were played by John James and James, who are in the sixth and seventh grades respectively. Mrs. Harter, who teaches the third grade, played the piano accompaniment.

The Canyon Eagles defeated the Happy Cowboys 31 to 0 at Happy Friday afternoon.

Rusk was the outstanding player for the Eagles, scoring five touchdowns. Curb was the outstanding player for his team. The Eagles made 13 first downs to Happy's 9. They made 267 yards rushing to Happy's 135 yards.

First Quarter

Barnard receives Curb's kickoff on the 20 yard line, and returns it 12 yards to Canyon's 32 yard line. After a series of running plays, Rusk punts 39 yards to Happy's 20 yard line. After two running plays, Forbus' pass is intercepted by Crowley, Eagle tackle. The Eagle offense begins to click off the yards placing the ball on Happy's two yard line. Rusk scores on an off tackle play. Rusk's extra point is good. The score is 7 to 0 for the Eagles.

Rusk's kick goes out of bounds and the ball is placed on the 35 yard line. In a series of plays the Cowboys fail to make a first down, and punt to the Eagles. The Eagles take the ball and stage a power drive which looks like it might mean pay dirt when the quarter ended with score, Canyon 7, Happy 0.

Second Quarter

The Eagles are penalized, but Ford passes to make a first down. Rusk runs off-tackle 19 yards for a touchdown. The extra point is blocked. Score, Canyon 13, Happy 0.

Two plays after the kickoff Pope intercepts Forbus' pass. The Eagles fail to make a first down, and the ball goes over to the Cowboys. Forbus' pass is intercepted by Vandergriff as the half ends with the score, Canyon 13, Happy 0.

Third Quarter

Rusk's kick goes over the goal and the ball is placed on the 20 yard line. Gill intercepts Forbus' pass. Rusk fumbles on a line play and Walker recovers for Happy. On an off-tackle play, Curb fumbles, and Rusk recovers. Hill on a reverse play picks up 15 yards. Butler, Gill, and Rusk drive the ball to the three yard line. Rusk pushes over for the third score. The extra point is wide.

The Cowboys receive the ball and start marching down the field, but are stopped when Pope intercepts Cox's pass as the quarter ends with the score, Canyon 19, Happy 0.

Fourth Quarter

The Eagles lost the ball on downs. The Cowboys take to the air and complete several passes for good gains. The Eagles block the passes, and hold them for downs. The Eagles are penalized 15 yards for clipping, and lose the ball. On the first play Hill intercepts Forbus' pass, and runs 22 yards before he is brought down by Curb on the ten yard line. Rusk crashes the Happy line for the score. Extra point goes wide. Score is Canyon 25, Happy 0.

Rusk's kick goes out of bounds on the 35 yard line. The Cowboys' offense fails to click and they lose the ball on downs. Butler pulls up 9 yards, then Rusk reverses the field and runs 25 yards for a touchdown. The extra point is no good. Hill kicks to Happy, as the game ends with the score, Canyon 31, Happy 0.

Band Gives Concert
For First Time

Canyon High School Band gave its first concert this year in assembly October 19.

The band directed by Marshall Riemenschneider played five pieces. They were: "The Booster," "The Thunder," "The Big Cage," "Pirates of Pinzance," and "Hail to the Varsity." Mr. Riemenschneider suggested to the assembly that "Hail to the Varsity," which the band played and sang, would make a good school song.

Gladys Hutton, senior, spent the week end at her home near Wayside.

In Jail Or Just
Visiting, Helen?

Helen Johnson was locked up. She had not committed any known crime; nevertheless, I. B. Carruth, superintendent, locked her in the Journalism room. Helen came to the door of the room and looked through the wooden bars and small glass windows begging someone to let her out.

Finally, Mr. Carruth came to the rescue. He said he didn't know she was in the room when he locked the door.

Now, Helen knows how it feels to be locked in and look through bars.

It seems to be a habit for these Helens to get locked up since Miss King locked Helen Hurst in the typing room last Wednesday. The galant D. A. Butler came to her rescue, and Miss King unlocked the door.

Classes Plan Booths for
Carnival; Elect Queens

Class meetings were held in the high school, October 20.

The seniors met with their sponsor, Gerald Brown, in the auditorium. For the carnival booth they are going to make dolls and name them teachers. Anyone may try to knock them down at three throws for five cents. Marie O'Donald is their candidate for queen.

The juniors met with sponsor Milton Morris, and selected Hazel Sanders as their candidate for the carnival queen. The juniors are planning to have bingo for the carnival.

The sophomores met with their sponsor, Miss Nellie Freeman, and selected Fern Walters as their carnival queen. They are going to have a beauty shop and floor show for their booth.

The freshmen met with Milton Sanders and selected Dorothy Barnett to be their candidate for the carnival queen. They are going to serve chicken dinners and sell candy in the crowd.

The seventh grade met with their sponsor, Lewis Shirley, and selected Anna Lee Newlin to be their carnival queen. They are going to have a cake-walk for the carnival.

BROWN TELLS
OF TRIP

Gerald Brown, social science teacher and assistant coach, talked in assembly Thursday about his trip to Mexico City last summer.

Mr. Brown went to Mexico with a group of men and women. The first place they visited was the Japanese Hanging Garden. From there they went to Laredo. Mr. Brown said the first thing he saw was a red-headed, blue-eyed Mexican. In Laredo they had to exchange their money for Mexican money and received \$3.60 for \$1. On their way from Laredo to Mexico City, he said they saw farms on the hill sides that were nearly straight up and down. When they reached Mexico City there was an oil strike which made it difficult for them to get gas. They saw the strikers tear one car to pieces because it was driving down the street and they wanted to stop all cars. The companies could not sell gas. Mr. Brown seemed to understand Spanish until a Mexican cop tried to make him pay a fine, whereupon he could no longer understand Spanish.

EAGLES MEET
STRATFORD
TOMORROW

The Canyon Eagles and the Stratford Elks will clash tomorrow night at 8 o'clock at Buffalo Stadium in the Eagles' second conference game.

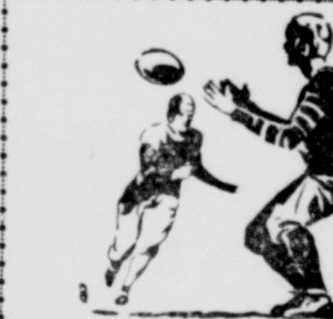

The Eagles, who are on top in the north half of the district, have won five games, winning from Happy last week with a score of 31-0.

The Eagles have scored 101 points and their opponents have scored only 6. Captain Ray Ford Rusk leads the Eagles scoring with 77 points.

The Stratford Elks last week forfeited a game to the Vega Longhorns, whom the Eagles beat 12-0 October 16.

The probable starting lineup is:

Canyon	pos	wt.
Vandergriff	LE	155
Brasuel	LT	170
Carr	LG	160
Butler, Tom	C	160
Pope	RG	155
Crowley	RT	170

Gridiron Gossip

After much rejoicing over their victory of 31 to 0 over Happy last Friday, the Canyon Eagles will face the Stratford Elks, another conference foe, tomorrow night at Buffalo Stadium.

Over the week-end the Class B District 1 race tightened up and left only a few teams pacing over unbeaten trails.

One game of much interest was the game between the Dalhart Wolves and the Dumas Demons. The result of a brilliant third period rally netted the Wolves a 19-13 victory over the Demons.

Stratford forfeited their game to Vega.

In the same district Tulia pounded their way to a 32-0 victory over the Dimmitt Bobcats.

In the District 2 race the powerful Phillips Blackhawks defeated the Claude Mustangs 32-0.

The Mobette Hornets defeated the Clarendon Bronchos Friday night 52-0.

BASKETBALL GIRLS
START PRACTICE

In order to get accustomed to the passing and handling of the ball, the girls have been practicing basketball in the grade school gymnasium from 4 until 5 o'clock each afternoon.

Although most of the lettermen were graduated last year, there are prospects for a good girls' basketball team for this year. The girls are small, but fast, and they are planning to give their opponents a hard battle.

Gerald Brown, who has been coach for several years, is still coaching the girls' basketball team.

BOY SCOUTS PRESENT
TENDERFOOT RITE

Last Thursday night members of Troop Thirty, Boy Scouts of America, met and decided to present a Tenderfoot Ceremony next Thursday.

The Tenderfoot Ceremony is the initial experience a boy has after becoming a Scout. D. A. Nicholas Sr., assistant Scoutmaster of Troop Thirty, cordially invited all parents of Scouts and also parents of boys of Boy Scout age to attend this ceremony. Refreshments will be served. The time is to be set at a later date.

Mr. and Mrs. Virgil McGee spent the week end in the L. E. Brasuel home. Mrs. McGee was formerly Ethel Brasuel.

Lillian and Jim Davis spent the week end with their parents, Mr. and Mrs. John Davis.

Mr. and Mrs. Joe Slack and family spent the week end in the T. V. Slack home.

Clubs and Classes Have Wide Variety of Entertainment in Booths in Grade School Gym

QUEEN IS CROWNED

Grades Give Program; Organizations of Town Cooperate With Stunts;

Tonight is the big night at the Canyon High School—the night of the biggest attraction of the year—the annual P. T. A. Hallowe'en Carnival.

At 7 o'clock the aroma of hamburgers fried and served by the local American Legion will draw the crowd to the high school auditorium where the children of the lower grades will give a short program.

Classes Have Booths

Immediately following this opening number, in the Grade School gymnasium and class rooms, curtains will be drawn, and the "barkers" at the various booths will let the people know that the show is in full swing.

Admittance to the booths will be 5 cents. The Senior class booth offers a shooting gallery with shots at the faculty—a chance for students to get revenge.

Bingo with prizes will be found at the Junior booth, and the Sophomores will display their beauties. Everyone who enjoys a good chicken dinner will find pleasure at the Freshman booth, while the seventh grade offers a cake for a walk.

Clubs Have Booths

The various clubs of the school have also prepared booths. The Press Club is sponsoring a contest for the carnival queen. The classes have selected candidates from each class. They are: seniors, Marie O'Donald; junior, Hazel Sanders; sophomore, Fern Walters; freshman, Dorothy Burnett, and seventh grade, Annie Lee Newlin. The queen will be selected by vote at a penny a vote.

The Canyon Chapter of the F. A. A. has prepared a basketball goal for ringing shots. A grab fast Grab Bag is featured by the Travel Club. The Dramatics club has a new play called, "Have a Pill" which is a guaranteed cure for all ills. Since the members of the Science Club study the soil, they have arranged a forest pond in a booth. The Spanish Club, betting on cold weather, has prepared a chili booth, and the Pep Squad is running a country store where almost anything can be bought.

Stunts Will Be Given

When the spectators and participants at the various booths are down to the last time, the crowd will again assemble in the high school auditorium, where for 10 cents, all of the stunts and the coronation of the carnival queen may be seen. Organizations from the town will put on the stunts.

The closing event of the evening will be the crowning of the carnival queen.

Local Supervisor Visits
Homemaking Classes

Miss Gladys Armstrong, the local supervisor of homemaking, visited the school, October 19. She is visiting home economics classes in the 26 northern counties of the Panhandle.

Her office will be in Canyon after next week.

She visited Miss Freeman's home economics class and said their work was exceptionally good.

COLLINS REPRESENTS EXES
AT P. T. A. CARNIVAL

Mary Collins was elected P. T. A. Carnival Queen candidate for the ex-students at the meeting of the Press Club last Monday.

Other candidates for the carnival queen were chosen from each of the high school classes in previous class meetings. Other plans for the P. T. A. carnival were made.

Plans for the selling of subscriptions to The Canyon News were made. The Press Club is interested in getting all subscriptions possible, since it gets a profit from them.

Mrs. Clyde Walker, the former Helen Tucker, of Amarillo, spent from October 17 to 20 with Ruth Nickelson.

WHAT ARE YOU DOING?

It is within your power to either enrich or impoverish your community. A town's progress is but a reflection of the public spiritedness of its citizenry; its public institutions and the prosperity of its merchants.

Good schools, good churches, good libraries, good parks, good play-grounds, and good homes are the evidences of a wholesome community.

In Your Own Interest Buy At Home!

Your Home Town Merchant or The Out-of-Town Peddler

Who provides these? Who supports them? Your local merchants and tax-payers, of course. But we cannot do these things unless they are supported by your patronage.

The transient trader; the out-post peddler from the big towns; the mail order messenger—these improvise a town by drawing its cash resources out of local circulation.

If you have at heart your community's interest; your own interest; your children's interest—which will get your patronage, your home-town merchant or the commercial commuter?

And in these bad years—when cash isn't so plentiful—whom do you ask for favors? Did you ever have a mail-order concern or a peddler donate to a subscription list being past around to help some person or a family or maybe buy a new piano for the school or church. Did you ever have an out-of-town peddler of a mail order house extend you credit without adding an enormous carrying charge and requiring you to mortgage your life and family? In times such as these your home town merchant needs your support more than ever—just as you and your community needs the home town merchants support.

Joe Vern Hales Awarded Trip to 4-H Congress

19 Texas Boys Honored
By Outstanding Work
In Boys' Clubs; First
From Randall

Joe Vern Hales of Randall county is one of the 19 boys in Texas who have won a trip to Chicago for the National 4-H Congress. This is the first time that a Randall County boy has ever received such an honor.

The Santa Fe railroad is running a special train free for the boys to leave Fort Worth on Nov. 26. The boys will be in Chicago until Dec. 3.

In addition to the interest of the congress, the boys will be shown all of the sights of the big city.

One boy from Hale and one from Dawson county are the only other Panhandle boys who received this distinctive honor.

St. Benedict's

(Continued from first page)

The question mark in the Bison's back yard hinges around "blustering" Lwood Dow who was laid up in the Simmons game with a broken hand. If Dow is unable to play, it will mean that sub Fullback Conway Butler will start his second straight game at the post. With this exception, Coaches Baggett and Douglas will have their main strength in trim for the favored invaders.

St. Benedict's probable starting lineup will be Ziemba and Milak ends; Egan and Carney, tackles; Dockery and Thompson, guards; Hand, center; Martin, quarterback and captain; Danaher and Weller, halfbacks; Quigley, fullback.

District Governor In Talk at Rotary Club Luncheon Tuesday

Edd McLaughlin of Dallas, district governor of Rotary, paid an official visit to the Canyon Club Tuesday and spoke of the work of Rotary throughout the world.

The Governor expressed great appreciation in being able to return to Canyon. He was a student in the normal when W. T. opened in 1910, and was here when the old building burned in 1914. He is giving a year's work to Rotary because of his love for the club and the worthwhile program which it is putting on.

Rotary is a wonderful institution because of its development of the members, and the opportunities it offers its members, stated the Governor. Rotary has a definite program of friendship and fellowship; of improvement of business principles; of developing community leadership; of creating a desire to be of use to the community. Rotary is worthwhile in the world, because it is organized in 82 nations, with 4400 clubs and 200,000 members.

Germany and Russia are the only nations without Rotary. Rotary withdrew from Germany on Oct. 15 because of the opposition of Hitler. Mussolini has highly praised Rotary and encouraged its work in Italy. The greatest advance being made in Rotary outside of the United States is in India and China. Leading Rotarians in China claim that during the coming generation at least 5,000 clubs are possible for China alone, because of the appeal that Rotary principles make upon the Chinese.

Mr. McLaughlin has been in Europe several times in recent years and reports the feeling exists there that only the Rotary spirit shall be able to settle the disputes which exist among the nations abroad.

Visitors present were: Ed W. Hardin, R. E. Wertz, C. R. McAfee, John E. Hill, N. S. Griggs, O. W.

Wright, Howard E. Boxwell, all of Amarillo; W. C. Black, Guy Harp, and T. S. Stevenson, all of Canyon.

Homecoming

(Continued from first page)

ing what he termed the three greatest retarding factors to civilization and what can be done to eliminate them. War, sabotage, and ignorance were enumerated as the greatest impediments to civilization by the speaker.

"The question is not how we keep out of war, but will we keep out of war," the speaker said in his discussion of war. In order to keep out of conflicts, the common citizen must forget temporary profit. The lessons of the World War have been laid aside, the average man forgetting that one and a half times the value of the United States went up in smoke in the last conflict, Stuart said.

He offered three suggestions for preventing war. First, he said that the profit should be taken out of war. Second, a means of escape from war areas should be provided for American citizens, and third, the power to declare war should be taken from the President and Congress except when attacked. War should be declared by popular vote, he said.

Carl G. Clift, county superintendent of Potter County, was elected president of the Ex-students association to succeed Supt. J. Lee Gilmore of Wheeler, at a business session Saturday of the Ex-student Association. Other officers elected were: First vice-president, Dan Sanders of Canyon; second vice-president, Ernest Cabe of Pampa; and Neville Wrenn of Hereford and Rual Ford of Potter County, directors. Holdover directors of the organization are L. H. Rhodes of Tucumcari, N. M. and John McCarty, Amarillo.

The exes went on record at the business meeting as opposed to the cutting of appropriations for educational purposes. The protest was filed with officials at Austin. Other resolutions adopted urged the board of regents to broaden the course of study in the College to permit

granting of Bachelor's Degrees with education as an elective subject, and the granting of Master's Degrees in subjects other than education in order to meet the demands from graduates in the Panhandle area.

About 500 attended a John Snider barbecue held at noon Saturday at Buffalo Field. The lunch was served by the T-Anchor Farm boys.

Supt. H. H. Willhite of Hartley won the prize for bringing the largest family. He was accompanied by Mrs. Willhite and four children. He was presented a picture of the college campus.

GEORGE PATTERSON HAS REJOINED MARINE CORPS

George A. Patterson, son of Mr. and Mrs. John M. Patterson, of Canyon, was accepted for re-enlistment in the United States Marine Corps and sent to San Diego, California, for duty, it was announced by the Officer in Charge of the Marine Recruiting Office, Dallas.

This is Patterson's second enlistment in the Marine Corps. He first enlisted in 1929, and was honorably discharged in 1935, after 6 years of varied service, including Nicaragua, China and duty on board ship, and was awarded the Second Nicaraguan Campaign Medal, Yantze service Medal, and the Marine Corps Good Conduct Medal for his honorable service.

Practice House Completion Set For Christmas

Date of completion for the new \$15,000 home economics practice house has been tentatively set for Christmas, the construction superintendent has announced. The building is being constructed north of Cousins Hall.

The Texas Legislature appropriated \$15,000 this spring for a house for senior home economics majors to live in and study under household conditions. About \$1200 will be used to buy furnishings for the building.

It is the purpose of the College to make this building a center for many social occasions and through it to show how an American home can be furnished and kept.

Although it will take considerable time, it is expected that the grounds surrounding the house will be an example of what skilled landscaping can do to beautify a modest home in the Southwest.

The cottage will be a colonial brick veneer with ten rooms, two baths, and closets. Rooms on the first floor will be a living room and bedroom for the director. Other rooms are a kitchen, bath, closet and the second floor will contain a bath, sewing room, four bedrooms, and closets.
